GWIRE – Global Women in Real Estate

Virtual Networking and Panel Discussion Event

Due to the cancellation of most of the real estate sister society conferences during 2020, the societies have come together under the IRES umbrella to offer an inaugural Global Women in Real Estate event in lieu of the women’s networking and panel sessions held at many conferences. Women from all the societies are welcome to attend the virtual event on Zoom at no charge; however, registration will be required. There will be short informal chat sessions followed by a panel discussion and a question and answer period for a total of 1½ hours. *Registration details will be distributed in early September.*

TOPIC: COVID19: Real Estate/Property Changes and Potential for Theoretical and Applied Research

PANELISTS MAY INCLUDE:

- Kwan Ok Lee, National University of Singapore, AsRES**
- Tilda Mwai, Knight Frank, AfRES**
- Hilde Remøy, TU Delft, ERES**
- Karen Sieracki, Kaspar Associates, ERES**
- Sara Wilkinson, UT Sydney, PRRES**
- Elaine Worzala, College of Charleston, ARES**
